

Peterson/Whitlock Trade Wins At Idaho Hillclimb National

New Plymouth, ID - 7/15-16/2006

Travis Whitlock and Bret Peterson shared the spotlight at Round 3 of the Racer X / Suzuki N.A.H.A. Pro Hillclimb Series in New Plymouth, Idaho. Nearly 8000 spectators turned out for the two-day event to watch riders attempt what has been called the most treacherous hill in American competition. Utah's Whitlock won the 0-700cc class topping Jason Smith who won the World Trophy two weeks ago in Decazeville, France. Peterson claimed third in the class and then came back to win the Open Unlimited and the King of the Hill Shootout.
